Xavier Dupuis and Laurent Besseas
of **Bassines**

product Round Narcis
standout Made of ultra-hardy 316 stainless steel with a golden PVD finish that resists wear and tear, the 17-inch-diameter washbasin is a modern interpretation of traditional French copperware. bassines.com

Marcel Wanders
for **Laufen**

product New Classic
standout Sculptural curves and attenuated edges converge in a SaphirKeramik bath suite that, per the designer, harks back to romanticism while catering to contemporary needs and tastes. laufen.com

Philippe Starck
for **Duravit**

product Starck Barrel
standout New finishes such as Night Blue lacquer and real wood veneers are now on offer for the design star's first ever bathroom product, a vanity inspired by the most minimal bathing elements: a bowl, bucket, and hand pump. duravit.us

Pierre Bélanger
for **Wetstyle**

product Mood
standout Offset ellipses distinguish this shapely tub made of robust and nonslip Wetmar Bio, a thermo-insulating eco-material that can be specified in a gloss or matte finish. wetstyle.com
