 Code is crafted from stainless steel finished with a gray PVD (physical vapor deposition) treatment. Bulgarian architect Victor Vasilev designed this minimal wall-mounted washbasin.

24 HANSGROHE
hansgrohe-usa.com
 The Metropol collection by Stuttgart, Germany-based Phoenix Design is characterized by a cube-shaped body with geometric contours. Made from solid brass with a chrome finish, the series includes three faucet heights as well as several handle, spout and configuration options.

25 WETSTYLE
wetstyle.ca
 Part of the Deco collection, this floating vanity is finished with an all-natural walnut veneer. This model's horseshoe drawers include stainless-steel hand pulls and utilize slow-closing ball bearing glides. The piece is available in 24-, 30-, 36-, 48- and 60-in. length options.
