The concrete handle of **Ritmonio's** Haptic faucet reveals the craftsmanship in each individually poured piece. Available in eight new colors, it comes with or without a lever that can also be made of concrete. RITMONIO.IT

2

Hand-forged in solid brass or stainless steel, **Sonoma Forge's** Clix series of faucets, shower systems, and accessories leaves the original hammer marks from the blacksmith visible for a rustic look. Wall and deck-mount configurations and special-order finishes are offered. SONOMAFORGE.COM

3

Carved from a single block of Marquina Taupe marble, **Stone Forest's** Calma freestanding bathtub boasts a gentle, oval-shaped lip that gives the simple design a sculptural quality. STONEFOREST.COM

4

WetStyle's Be collection bathtub includes a natural wooden shelf that highlights its stately shape. For extra storage, a wooden bridge over the tub further enhances the elegant design. WETSTYLE.CA
